

## Best practices (2016-17)

### 1. Preparatory module for teacher eligibility tests

Government College of Teacher Education is mandated to run 2 year pre-service teacher training programme which aims at equipping students with requisite knowledge, skills and aptitude for teaching. However, in order to become teacher, successful completion of Bachelor's in Education is just one of the eligibility criterion. Students are expected to qualify teacher eligibility tests conducted by state as well as central agencies (e.g., HPTET conducted by HPBOSE and CTET conducted by CBSE). In the prescribed B Ed programme there is no provision for training students for these qualifying examinations. The Guidance, Counselling and Placement Cell has taken upon itself to develop and execute 30 hour module for preparing students for these tests. This module has a number of sub-modules as per different components of these tests, such as child development, teaching of social sciences, physical and life sciences and teaching of languages. Students also consult subject teachers in their free time for additional guidance for these examinations. Students who participate in this course report higher level of confidence to face these examinations. The outcome of this effort is visible in the improvement in the pass percentage of students. The college intend to repeat this effort in forthcoming years.

### 2. Giving specific structure for Phase 1 of the School Internship Programme

The Phase 1 of the School Internship Programme of 4 weeks is being implemented as per the guidelines given by NCTE and HPU, Shimla. However, it was felt during the first year of implementation that while students do learn important lessons during this phase, there is lack of specific structure to be followed in the each internship school uniformly. Hence the SIP committee in consultation with IQAC developed a structured schedule keeping general guidelines received from regulatory authorities. The four week has been structured in following manner:

WEEK	DAY	ACTIVITIES
Week 1 School Organization and Management Structure	One	Orientation of student-teachers about the allotted School (Brief history, school campus, school building, school map, classrooms, introduction with staff of the school)
	Two	1. Name and designation wise list of staff members of School (including Principal/Headmaster, teaching and non-teaching staff) 2. Class-wise list of students admitted in the School 3. Time table of the school and its construction Procedure
	Three	Management Structure of the concerned Government School (System of functioning of the school and its different aspects and their interrelationship)

Principal  
Govt. College of Teacher Education  
Dharamshala, Distt. Kangra

	Four	Report on Morning Assembly/different clubs/NCC/NSS and other co-curricular/extension activities of the school
	Five	Verification and Finalization of the different reports and activities of first week by the Teacher Educator
	<b>DAY</b>	<b>ACTIVITIES</b>
<b>Week 2</b> <b>Study and Maintenance of Various School Records</b>	Day 1	Teacher Attendance Register, Student Attendance Register, Admission and withdrawal Register (Procedure of maintaining these registers)
	Day 2	School Academic Calendar, Co-curricular activities calendar, Stock registers
	Day 3	Execution of National School Lunch Programme (Mid-Day Meal Scheme) in the School (Norms and standards of Mid Day Meal Scheme, record maintenance and strategy of implementation in H.P.)
	Day 4	Procedure and aspects of Continuous and Comprehensive Evaluation in the School
	Day 5	System of functioning of School Management Committee and other Committees in the School
<b>Week 3</b> <b>Observation of Senior School Teachers</b>	6 days	Observation of two subject related lessons of senior schoolteacher (One per teaching subject) in actual classroom by direct observation In the third week 12 lessons will be observed by the student teacher. (Six lessons per teaching subject).
	5 Days	Observation of two subject related lessons of senior schoolteacher (One per teaching subject) in actual classroom by direct observation In the fourth week 8 lessons will be observed by the student teacher. (Four lessons per teaching subject).
<b>Week 4</b> <b>Observation of Senior School Teachers And finalization of grades</b>	Final Day	Finalization of Grade of Student-teacher in Internship by teacher educator after consultation with School Head and Subject Teacher. Teacher educators will submit the Final Grade lists of their respective allotted schools in the College.
