The agenda points.

- Agenda-I – To develop an internship guide for all stakeholders.
- Agenda-II- To develop an observation format for delivery of simulation lessons.
- Agenda-III- To ensure proper lighting system in the campus by repairing power points and installation of LED bulbs.

Above agenda points were discussed in the meeting and following decisions were taken.

- It was decided that necessary guidelines should be prepared for internship for all stakeholders and guidelines should be shared with all stakeholders.
- That observation format should be developed well in time and the format should be distributed among the students.
- The convener of the college infrastructure committee should initiate this work on priority basis.

The meeting ended with a vote of thanks.
